

# The Benefits of Wearing a School Uniform...

Want to know how much of a great impact a uniform can have on a school? Keep reading to discover the benefits it will bring to your school, pupils and community.

**85%**  
Of state schools *require* a uniform.

This includes...

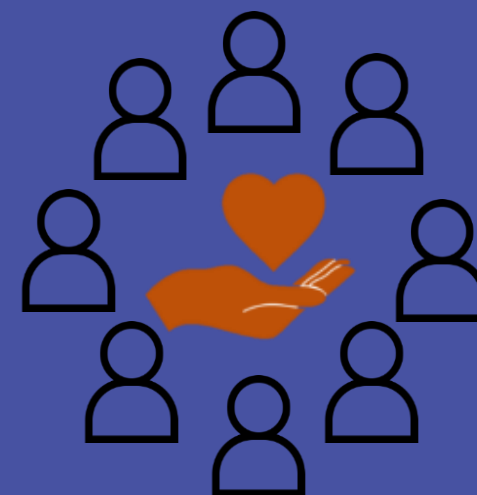

**74%**

**98%**

School Uniform promotes a feeling of *belonging* amongst your school.

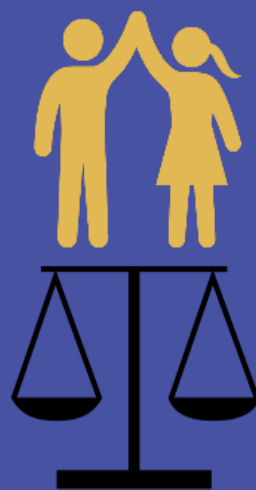

Wearing a uniform **boosts community spirit** across the school.

It allows children to feel a **part** of something special.

School Uniform promotes *equality*...

Because students are all **wearing the same thing**.

Wearing a uniform bridges the *socio-economic gap* between children

As they **cannot judge others** on what they wear, where it came from, or how much it cost.

**Positive mental attitude** and **behaviour** in classrooms **improves** when wearing a uniform.

Wearing a uniform **reduces playground bullying rates**.

**Reduces overall annual cost** for parents buying one set uniform.
